What is this Brochure?

This brochure was created by the DFPS **Kinship Collaboration Group (KCG)** as a quick guide for you to look at after the case has ended.

The following pages contain links to important things that you might need after CPS is out of your life.

What is the Kinship Collaboration Group?

The Kinship Collaboration Group is a group of kinship caregivers who have received services from the agency, just like you.

- **Mission**

Through partnership, we must bridge the relationships between kinship caregivers, the agency, and stakeholders. By connecting and educating, we aim to improve policy, practice, and service to kinship families.

- **Vision**

We strive for collaboration between kinship caregivers and the agency to ensure that kinship families have access to the services and support they need to maintain safe and healthy homes.

- **Values**

We put families first. We respect diversity, engage in advocacy, and promote empowerment. We rely on these principles to guide us as we build collaborative relationships with kinship families across Texas.

How to use QR Codes

QR codes give you quick access to websites without having to type a web address.

You can use the Camera app to scan a QR code. Open the Camera app from the Home Screen, Control Center, or Lock Screen.

Select the rear facing camera. Hold your device so that the QR code appears in the viewfinder in the Camera app.

Once the QR code is highlighted in the viewfinder, tap it with your finger and the link will open.
