### Title IV-E: Foster Care, Adoption, Guardianship

By acceptance of awards for these programs, the recipient agrees to comply with the requirements included in both the General and Supplemental Terms and Conditions for these programs.

The administration of these programs is authorized under Part E (Sections 470 – 479B) of Title IV of the Social Security Act. These programs are codified at 42 U.S.C. §670 to 679c. The program-specific implementing regulations are located at 45 CFR 1355 and 1356. Additional program requirements include: an approved title IV-E plan, including all approved amendments or revisions, the provisions of the ACF Child Welfare Policy Manual, all other applicable Federal regulations, program policies and instructions.

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards is located under 45 CFR Part 75. In accordance with 45 CFR §75.101(e) Applicability and 45 CFR §1355.30(i), states operating these programs must comply with 45 CFR Part 75 with the exception of Subpart C (except for §75.202), 75.306, and 75.341. Tribal title IV-E agencies operating these programs must comply with Part 75, except for Subpart C (except for §75.202) and 75.341.

Additional applicable regulations and requirements can be found in the General Terms and Conditions for Mandatory: Formula, Block and Entitlement Grants.

These programs, per Section 474(a) and 479(B)(d) of the Act, utilize the state/tribal federal medical assistance percentage (FMAP) rate to determine the federal share of maintenance or other assistance payments. Expenditures in FMAP rate funded categories must be matched using funds appropriated by the state or tribal legislature specifically for use in these programs. The FMAP rate varies annually for each State and is published in the Federal Register. The FMAP rate for each Tribe can also vary annually and is published by HHS on the ACF website as follows: <https://www.acf.hhs.gov/cb/grant-funding/tribal-federal-medical-assistance-percentage-fmap>.

A 50 percent FFP rate is applicable for administrative costs and a 75 percent FFP rate for certain training costs. The Federal award provides funds for 50 and 75 percent of total costs for those cost categories, respectively.

State recipients are required to provide funding for the remaining 50 percent and 25 percent of total costs for these cost categories, respectively. The State share of funding will, generally, include funds appropriated by the State legislature specifically for use in these programs. Third party in-kind contributions may not be used as any part of the non-Federal share of program expenditures for this program. The State share of funding may also include: funds donated without any conditions or restrictions to the State title IV-E agency; funds transferred from another public agency to the State title IV-E agency; or expenditures made by another public agency within the State on behalf of the State title IV-E agency and must be certified as applicable to the program under the approved title IV-E State plan.

Tribal recipients, per 45 CFR §1356.68, are required to provide funding for the remaining 50 percent and 25 percent of total costs for these cost categories, respectively. The Tribe's share of funding will, generally, include funds identified specifically for use in these programs. Third party in-kind contributions may be used as any part of the non-Federal share of program expenditures for administrative and training costs under this program. The Tribe's share of funding may also include: funds donated without any conditions or restrictions to the Tribe title IV-E agency; funds transferred from another public agency to the Tribe title IV-E agency; or expenditures made by another public agency within the Tribe on behalf of the Tribe title IV-E agency and must be certified as applicable to the program under the approved title IV-E State plan.

The OMB standard Form SF-425 is not used for this program. The following form is used for financial reports: Form CB-496, Title IV-E Programs Quarterly Financial Report (Detailed instructions are contained in ACYF-CB-PI-21-08)

Parts 1. Report the Total and Federal share of funds expended, and children assisted in the designated current quarter and an estimate of the funding required in the designated next quarter.

Part 2. Report prior quarter expenditure adjustments. Applies to the programs identified in this T&C.

Part 3. Report Demonstration Project and Post-Demonstration costs (used only by title IV-E agencies that were previously approved for a Demonstration Project.) Applies to the programs identified in this T&C.

Part 4. Report the methodology used to calculate adoption savings due to the application of differing title IV-E Adoption Assistance eligibility criteria for children designated as an "applicable child" under section 473(e) along with an accounting of the amount of and the expenditure of any such savings in the preceding federal fiscal year (FFY).

The submission schedule of these forms is both Quarterly and Annually. Each quarterly financial report must be submitted no later than 30 days following the end of each fiscal quarter (i.e., no later than January 30, April 30, July 30, and October 30). The Part 4 annual report must be submitted no later than 30 days following the end of the FFY (i.e., no later than October 30) (See 45 CFR §201.5 and 45 CFR §1355.30(n)(1).)

This time limit applies to the reporting of increasing adjustments but does not apply to the reporting of decreasing prior quarter adjustment claims.
