Location

Tarrant County

Education

Undergraduate or Masters/Graduate

Schedule

In-Person

Hours

20 – 30 hours per week

Paid/Unpaid

Unpaid

Description

We are looking for an intern to assist our investigators in protecting children from abuse and neglect. Interns will be able to gain hand-on experience by observing and supporting investigations involving concerns about child safety and family well-being.

During the internship, students may assist with reviewing case records, gathering information, attending staff meetings, observing interviews and home visits when appropriate, and learn how investigators assess child safety and risk.
